

PROCEDURE TO GET AN ELECTRICITY NEW CONNECTION

Ministry of Energy (Power Division), Government of Pakistan Islamabad has directed all DISCOs to provide New Electricity Connection to Domestic, Commercial and Agriculture consumers within 15 days. For this purpose an online Electricity New Connection application system has been added. This is because of the fact that it saves time of the consumers as they need not to visit local electricity offices and stand in queues. This document explains in detail about how to get a new electricity connection.

New Electricity Connection by Online Mode

Consumer has to go through following steps to get new Electricity Connection online in:

1. Please visit website www.enc.com.pk
